

The Planning Process

We are in the very early stages of the planning process and want your input as we develop plans for a project that contributes

Winter 2019

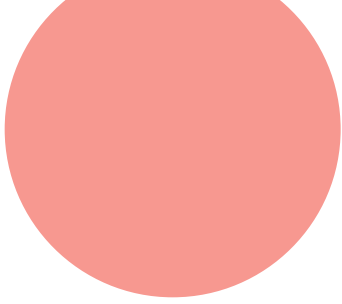

Open House 1 (we are here!)

Hosted by Primaris, the purpose of this first open house is to gather ideas from the community and feedback on preliminary development directions.

Spring 2019

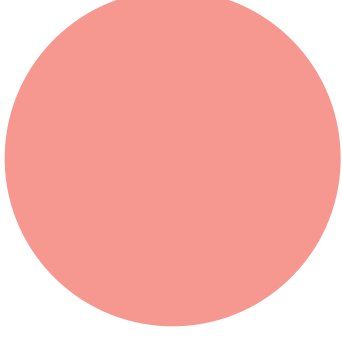

Open House 2

At the second open house, Primaris will present development concepts to gather further feedback.

Spring/
Summer 2019

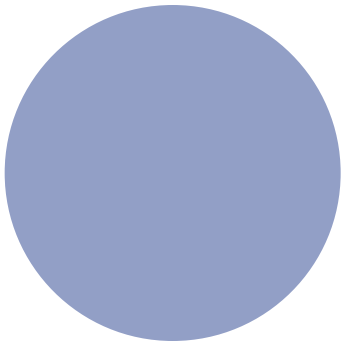

Submit Application

Planning staff will circulate the application for review to inform their recommendation to Council.

Summer/Fall 2019

City-initiated Public Meetings

Once the application is submitted, Planning staff will also organize statutory public meetings for community input.
